

## About Us

The Mineral County Historical Society is a 501c3 non-profit organization. The purpose of the MCHS is to promote interest in the county and market the history of our area. Come learn about the history of Mineral County throughout politics, music, the coal & railroad industries, military, and much more!

## Volunteer Opportunities

Looking for something fun to do? Do you enjoy helping others? Are you interested in history? If you answered yes to any of these questions, volunteering for the MCHS is for you! We welcome volunteers that are interested in becoming a docent, cataloging artifacts, supporting the museum for special events or special projects, and more!

While you're here, learn about local artists!

Admission is free, but donations are greatly appreciated!
